The supplementary files include a .pdf document called datasets.pdf that contains tables describing the data set used in Sections 2 and 3 for the college example, and Section 4 for the cervical cancer example.

Also included are three .Rmd files containing the code used throughout the paper. These are:

- college.Rmd: Code for examples of Sections 2 and 3.
- cervical.Rmd: Code for examples in Section 4.
- hstat.Rmd: Code for example of Appendix.
